

Believe this, and all ramifications thereof, and you will
have a holy and perfect life here; and the fullness of
everlasting life hereafter!

God is Father
Christ is God
Spirit is Truth

That's all there really is to it! It is that simple! It is that
complex! It is that attainable with the grace of God! It
all begins with Faith and ends with Charity! All are
invited to partake of the Banquet of Divine Life!

- Fr. William Dinga, June 14, 2010
