

*Priest: Let us now offer our prayers and petitions to God, our most loving, heavenly, Father:*

- 1a. For the purification and perfection of the Church on earth, that she may be healed of all that corrupts and corrodes her, by the Blood of Him Who loves and died for her, so that she might have life; we pray to the Lord:**
- 1b. and for the spiritual transformation of the world, into the glorious Kingdom of God in a new heavens and a new earth: a kingdom of justice, peace and love, which will have Christ Jesus as its Lord, Savior, and Regent King forever, we pray to the Lord:**
- 2. For our national governing bodies and for all civil leaders throughout the world, that they may use the powers of leadership lent to them by Christ the King, to rule with justice, truth and charity: a self-giving, caring concern for all people, especially the poor and the marginalized, we pray to the Lord:**
- 3. For the needs of everyone in our locality, in our state, in all of the states of our country, and all the countries of the world [include a few timely and special intentions], we pray to the Lord:**
- 4. For the personal intentions of the Abbot and Prior Guardians, each in their own place, and our auxiliary members, in their own places: we pray to the Lord:**
- 5. For the sick and the suffering that they may experience the healing restorative power of Jesus in their lives today, and for the dying: that they may experience the compassion, mercy and forgiveness of Jesus -, we pray to the Lord:**
- 6. For all the intentions in our prayer reserves, all those in our hearts and all the people that we promised to pray for and ought to pray [especially   ]: we pray to the Lord:**
- 7. For the dead, especially members of our families, friends and religious communities who have gone before us; and for the souls in purgatory who have no one to pray for their release, we pray to the Lord:**

*Priest: God our Father, we know that you have heard our prayers. We ask now that you answer them in a way and time that is wholly according to Your Will. We trust that this will be perfect because You are our Father, and we are Your children. We make our prayer in the Name of Jesus, our Brother. Amen.*
